

Join the leaders at Sunnybrook Centre for Prehospital Medicine

Education Faculty (PCP and ACP)

Sunnybrook Centre for Prehospital Medicine is responsible for providing medical oversight through certification, recertification, continuing education, and continuous quality improvement to approximately 2000 paramedics that are employed by the following services:

Toronto Emergency Medical Services
Peel Regional Paramedic Services
Halton Region Emergency Medical Services
County of Simcoe Paramedic Services
Muskoka EMS operated by Medavie EMS Ontario
Beausoleil First Nation Emergency Medical Services
Rama Mnjikaning First Nation

We are looking for outstanding primary and advanced care paramedics and/or educators for the role of Education Faculty. As faculty, you will have the opportunity to facilitate a variety of educational events including mandatory CME, return to practice, MOH regional training program and OSCE. There will also be professional development opportunities available to the faculty members. This is a casual, part-time position open to both Primary and Advanced Care Paramedics.

We are seeking candidates with the following attributes:

- Excellent organizational and teaching skills
- A team player with a customer service perspective
- Willingness to travel throughout South central Ontario

Please see below for a detailed role profile.

Start date: Upon acceptance of the job

Salary: (\$29.757 - \$35.628 per hour plus lieu of benefits)

If you are interested in joining our team please submit your resume, cover letter, and letter of good standing from your current EMS employer to:

hr@socpc.ca no later than noon on Friday June 15, 2012

Interviews for qualified applicants will be booked on an ongoing basis as complete applications are received. Questions concerning this position should be addressed to hr@socpc.ca
